

James Gibson

for

DLO

I'm a third year engineer and would like to be DLO of the JCR.

Why me?

- Ran the senior prefect team at school which organised the yearbook, leavers hoodies, Christmas and Leavers Balls.
- I am friendly and open for a chat whenever, and am present in the JCR for any concerns.
- JCR Vice-President last year organising the room ballot, sports photos, matriculation photos, leavers lunch and photo and ran an efficient DVD library.

What I would do

- Push for New garden furniture
- Sofas for the JCR?
- Blinds in the library upstairs, it gets far too hot up there!
- Hand dryers in the JCR/library toilets that actually work
- A hall focus group to review the quality of food to improve attendance and satisfaction
