

# Callum Kelly for JCR Secretary

## Who am I?

I'm Cal, a 1<sup>st</sup> Year Historian.

The JCR Committee is an invaluable body that makes Catz the lively, inclusive college that it is. By facilitating the smooth operation of committee meetings, elections and notifications, I want to help *your* views be represented, so you can make Catz the college *you* want it to be!

## What will I do?

- I intend to build upon the successes of the JCR newsletter by implementing a downloadable PDF document and maintaining an archive for easy reference.
- I will uphold the high standards expected in the prompt delivery of committee meeting minutes.
- I will ensure efficient communications between the committee and student body.
- I will further ensure that the JCR noticeboard continues to be updated regularly with information and events, and intend to increase the availability of this information by implementing a 'virtual noticeboard' on Facebook.

## What can I bring to the role?

- Punctual delivery of minutes, agendas and notices.
- An approachable and easily reachable point of contact for the JCR committee.
- A systematic and organised approach to minute-taking and collation of JCR motions.
- First-hand experience with committee procedure, dealing with amendments and items of AOB, gained through administrative work in government simulations.
- Confidentiality, reliability, and enthusiasm for involvement in the Catz JCR.
