

# LISA FOR WELFARE

**My favourite thing about Catz is the friendly and open atmosphere. The Welfare reps are a huge part of maintaining this and I would love to help next year's Freshers have the same welcoming experience I have had.**

**I'm Lisa, a first year historian.**

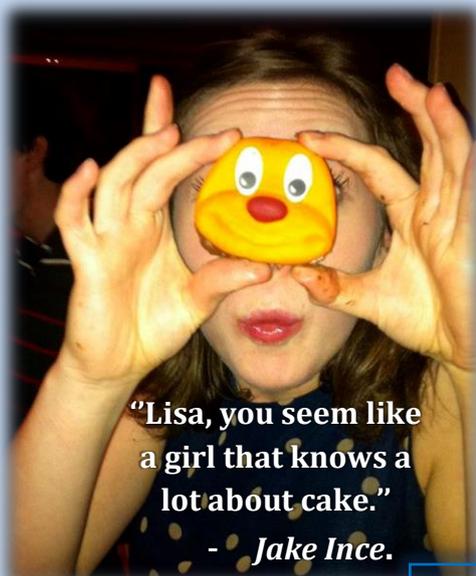

**I have had a great first few terms here at Catz and I would love to get more involved in the JCR by being your welfare rep next year.**

**I am friendly, open and approachable. I will always be happy to lend a (confidential) ear or make a nice cuppa (Yorkshire) tea for anyone that needs it.**

**I am also experienced in all things cake (see below) - perfect for your Sunday Welfare needs!**

## **So what would I do for you?**

- ✓ **An anonymous online sign up system for requesting condoms/ lube. I think a lot of people (especially Freshers) don't use the service because wording an email is pretty awkward.**
- ✓ **Try to make pregnancy tests also available through this system.**
- ✓ **More stress-busting stuff to keep people smiling, such as helping support a new yoga class.**
- ✓ **Expand welfare events to get more things going on in the JCR - I'm thinking movie nights with popcorn and duvets, showing popular TV shows, BBQs in the summer, games nights, pub quizzes...**
- ✓ **Review the drop-in peer support system which is underused, perhaps emailing to arrange a convenient time. I would also make sure my door was open for more informal support.**
- ✓ **Increase awareness of university wide welfare such as the counselling service.**
- ✓ **Build on the fab work of Georgie and Jake this year - carrying on popular schemes such as fifth week cookies.**

**"Lisa, you seem like a girl that knows a lot about cake."  
- Jake Ince.**

**I genuinely really care about welfare in Catz and I would be dedicated and enthusiastic if you elected me.**
