

Why vote for James?

- 1) I will make it my mission to tidy and improve the games area; hopefully solving Pool Cue-gate with better cue storage
- 2) I will publish both full and 'unpretentious' budgets to make finance more transparent and accessible
- 3) I am thorough, organised, and have experience managing large budgets
- 4) I am 100% committed to the JCR. Nothing will stop me from getting the job done
- 5) Microsoft Excel and long meetings validate my existence

I think I need more spreadsheets in my life...
