

Vote Rosie for LGBTQ+ Rep

Hi I'm Rosie - a bi first year English student :)

This past year I've seen how inclusive and all-round wonderful Catz college has been and I'd love to help continue that!

Why Me?

- * Friendly and easy to approach
- * Near constant supply of tea and hot chocolate in my room for anyone who wants to chat - or just rant about the suckishness of heteronormativity ;)
- * Generally responsible - School prefect & hockey captain
- * Came from a school that had none of the LGBT support available in Oxford, so I really appreciate all the equalities work done here at Catz

What I would do:

- 1) More LGBTQ+ events at the start of Michaelmas to help introduce the Freshers into Catz & Oxford queer community, so welfare teas & brunches, queer film nights in the JCR and of course drinks nights - everyone welcome :)
- 2) Integrate the college with the wider OU LGBT Soc more by:
 - organising crewdates with other colleges at least 3 times a term
 - going as a Catz group to Uni LGBT drinks and welfare Sundays, so that the Freshers particularly don't have to navigate their way their alone!
- 3) Work alongside the Equal Opps and Welfare Reps in the Equalities committee
- 4) Be welcoming to any queer/curious Catz-ers and keep everyone updated with colourful emails
