

Emily for Clubs and socs rep!

Why me?

- I am first year geographer
- Very involved in many clubs at Catz including hockey, lacrosse, life drawing and one time Frisbee player. I understand how club reimbursement is done and the need to get it done quickly.
- On the Catz Arts Week committee
- Play hockey for the university
- Always willing to have a go at everything!
- Organised person and will ensure all clubs have the funding they need

What will I do?

- Get as many people involved in club because I know how fun they are
- Greater awareness of when matches are so everyone can come and watch/play!
- Ensure university sports plyers get the financial support they need from college— I know how expensive it can be
