

Equal Opportunities Rep!!

Hello I'm Ellen and I'm a first year biologist. I would love to be your equal opportunities rep for this year!!

I want everyone to feel as included as I have felt in Catz. I believe that people should be given the opportunity to experience college life to the full, no matter what their background.

I would love to spend as much time as is required to organise fun and inclusive activities and to ensure that everyone can be involved!

Why me?

- I am involved in many aspects of college life
- I love the JCR and really want to give something back
- I have benefited so much from joining in with lots of activities in Catz and I want others to feel the same way.
- I am friendly and approachable and would be happy to talk to anyone about any concerns they have.
- I am social sec of the netball club and therefore have experience in arranging events and dealing with any issues that people may have.
